CERTIFIED FLIGHT INSTRUCTION

If you already hold a pilot certificate EASA or FAA, why not add a type checkout in an original 1940 Boeing Stearman? Or, if you hold an FAA certificate, why not really enjoy your Biannual Flight Review by taking it with our instructor in an early biplane. If you need to reactivate your American license we can help you as well.

Boeing Stearman Flight training package: 5 hours block time and 2.5 hours ground instruction.

€ 1950 (pre-paid only)

1 hour in the Stearman with instructor free itinerary as long as not in restricted area and within your bought time frame or for check-outs € 500 /hour

Tailwheel endorsement available as well in Aeronca Champ 1946:
Flight Training package: 10 hour block time + 3 hours ground instruction

€ 1300 (pre-paid only)

Flight Training package: 5 hour block time +2 hours ground instruction

€ 700 (pre-paid only)

1 hour in the Aeronca Champ with instructor free itinerary as long as not above restricted areas and within your bought time frame. Or for check-outs € 145 /hour

Insurance, Instructor, fuel and plane included in all options.

Ground instruction € 50/ hour

Pilots flying into Pratello hangar rent possible € 20/night or € 100/week
depending on availability and pre-booking requested.

We can assist with help of rental cars and escort to hotels.

Reservations and Limitations

All our planes are under American registry N: this means: You can only solo and fly on your own if you possess a valid FAA medical, an American license and got the type endorsement for the plane.

Advanced reservation always required, subject to availability. All flights are subject to weather permitted conditions and can be rescheduled.

Please call 24 hours in advance if you cannot make your scheduled departure. There are no refunds or reschedules for "no shows" and for cancellations with less than the required 24 hours notice.

For special price and prepaid bookings 30 days advance for cancellations and refund required. No refund given for cancellations within 30 days. Rebooking is subject to availability.

We reserve the right to reschedule your flight if there is a cancellation due to weather, technical issues or other issues beyond our control.

Size can be important for security reasons. Should you be very tall or large above average check please with us about the possibilities or options. The same if you have a medical condition.

Damage done to the aircraft (fabric or paint) due to carelessness or in" not following instructions" will be charged.
